UIDAI Data Hackathon 2026

OPEN ON	SUBMISSION CLOSES ON	TIME REMAINING				VENUE
05/01/2026 12:01 AM	20/01/2026 11:59 PM	06 Days	04 Hours	23 Minutes	09 Seconds	ONLINE

LOGIN TO PARTICIPATE

[ABOUT] [PROBLEM STATEMENT] [PRIZES] [T&C] [SUBMISSION AND EXPECTATION]

[JURY AND EVALUATION] [FAQ] [CONTACT US]

Participants must submit one consolidated PDF containing the following sections:

1. **Problem Statement and Approach**: A concise description of the problem being addressed and the proposed analytical or technical approach.

2. **Datasets Used**: A clear description of the dataset(s) and columns used for the analysis. Participants must use the Aadhaar enrolment and/or update dataset provided by UIDAI.

3. **Methodology**: A detailed explanation of the methodology adopted, including data cleaning, preprocessing, and any transformations applied before analysis.

4. **Data Analysis and Visualisation**: A description of key findings and insights, and the visualisations or infographics developed. Participants must also include code files or notebooks used for the analysis (in the PDF itself).

Note: Shortlisted teams may be asked to submit the code file/notebook separately on GitHub.
